- i) Clubs must indicate the players for whom dispensation is required to play in the grade so selected. The Competition Manager will ascertain the eligibility of the players and submit to the Management Committee by 5.00 pm on Tuesday, the names of players who require dispensation to participate in the grades so selected. The Management Committee may exercise its discretionary power to approve application where failure to be in the run-on team in six (6) matches has been caused by injury or forfeits.
- ii) Any further changes in teams (including reserves) must be advised in writing to the Competition Manager by 10.00 am on the Friday preceding the match. The Competition Manager will rule on the eligibility of the nominated player/s.
- iii) Any club contravening any section of this rule or found to have provided false information will be liable to disqualification or suspension for such time as the Management Committee decides. The club concerned will lose the match for which false information has been supplied or in which an ineligible player took part. The player will be suspended for such time as the Judicial Committee may determine and the Management Committee will ask the club to show cause why further action, including monetary penalty and/or disqualification from future competition, should not be taken against it by the Management Committee.

NB The following is to be noted:

- iv) Because a contracted player for the Reds or any other Super15 team plays or has played with the Club is not a basis for dispensation for another player. For clarity what this means is that if you contend that a Reds player would otherwise have been playing in your team had he not been on Reds duty, this is not the basis for dispensation for another player who has played in a higher grade as a result of this occurrence.
- v) Once a player has played 10 games in the run on team in a higher grade he is not eligible for dispensation for selection in a lower grade team for the semi-finals and finals.

9.4 Wet Weather Policy

Notwithstanding any of the provisions contained in these rules, the referee has the right to declare the match will not be played and therefore any of the provisions of these rules is subject to the referee's final say pursuant to the Laws of the Game on whether the match will be played.

- (a) The Management committee, after consultation with the clubs involved, will direct that
- i. The match or matches be played at a suitable alternative venue (one option being the visiting clubs home ground) or;
 - ii. The match or matches be postponed to a date to be fixed. The date to play the postponed game must be agreed by the two clubs by no later than the Friday after the date of the original game. If no agreement has been reached by that time, the game will be played at a place and date determined by the management committee. Where the postponement is in the last round, the management committee will make the decision without reference to the clubs.
 - iii. If either party refuses to play the game on the date determined by the Management Committee, then the match will be forfeited and the rules which apply to forfeits shall apply. It is understood that players and teams have work, study, commitments and are subject to injuries and unavailability. In the circumstances none of these shall be deemed to be a sufficient reason for not playing the game on the date determined by the Management Committee.
 - iv. If a match is unable to be played in the last round of competition, then the Management Committee will make a determination as to whether or not the match must be played before the commencement of the semi-finals. The determination will be based upon whether these games will impact upon the final composition of the points table in each Grade, affecting semi-final participation and positioning.
 - v. If the whole final round is washed out then the round will not be replayed and no competition points will be allocated for the whole round.
 - vi. For the avoidance of doubt, if the game due to be played in the last round is not played, subject to rule 7.2, it will not be regarded as a draw. If the game is not played and no forfeit has been recorded, no competition points will be allocated for that match

In all cases, the home club retains the responsibility of the Match day requirements e.g. Medical, Ball Boys etc. Arrangements may be with the away club should the match be played at the away club's venue.
