

RUGBY PLAYED IN QUEENSLAND COUNTRY 1882- CURRENT

THE ORIGINS OF RUGBY (DARLING DOWNS)

The original football played on the Darling Downs was based on Gaelic Football. The outstanding players were Fred Groom and James Tolmie afterwards Speaker of the Legislative Council of the Queensland Parliament which was abolished in 1922.

Between 1882 and 1886 there were constant arguments over whether to adopt Melbourne Rules or Rugby Rules. In 1886 due to the efforts of Neil McPhie, Job Stone, Gerald Barlow, Fred Way, Harry Hatton and J.C. Bain a Toowoomba Rugby Union was formed. This became the popular football code, although Melbourne Rules or to give it the modern term Australian Rules (AFL), survived in Toowoomba until the World War 1. The first teams were Moonlights, Paddingtons, Rockcliffe, Gordon, Aubigny and Rangers.

The first international visit was by the Maori team of 1889. The following Toowoomba men took part in the game, which became a legend in early Rugby. E.Cook, H.V.Carpendale, G.Boyce, F.Boyce, A.Saunders, C.Parmacott, C.Campbell, H.S. Barcendale, A.Christopherson, H.Hatton, J.Roidan, F.Huggins, E. Munro, J.C.Bain, K.Doran, Job Stone, R.F.Gardiner and E.Guppy. The Maori team contained the great pioneers of New Zealand Rugby the Warbrick brothers, Pat Rehoe, Davy Gage and Tom Ellison. The Maori giant Billy Warbrick was rendered hors-de-combat by a deadly tackle by Harry Hatton. Harry was the great "mauler" of his time, this term is very different to the term in the modern game. The laws then provided that if a player carrying the ball in "in goal" was so held that he could not ground the ball or the referee could not decide who had grounded the ball, the referee ordered a maul between two players. These pair attempted to rip the ball from the others possession while the rest of the teams watched. If the defending player prevailed a "save" was ruled and the ball was dropped out between the posts. In all cases if an attacking player grounded the ball in "in goal" no points were awarded but he was allowed to "try" to kick a goal, which if the ball passed between the post was worth five points. A goal from a mark was four points and a dropped goal was worth four points. Three points for a try was not awarded until the 1893-4 season. The final score was 16-0. The game was played on the Toowoomba Racecourse and it still must have been very much "bush" football to quote from the files of the Toowoomba Chronicle " Too much praise cannot be given to our local men who made such a gallant bid for victory and when a chance of scoring came they were cruelly disappointed by the ball striking a tree".

In the 1890's the game made steady progress, the club football was particularly keen and interesting. Rangers won the Meagher Cup numerous times between 1890 and 1898 and again in 1901.

Toowoomba secured representatives in the Queensland team the first being Bob Munro (1893-4) and Toby Doyle (1896-7). In the late 1890's electorate football was introduced, the town being divided into three wards; East, West and Central. West Ward was premiers in 1899 and East Ward in 1900. This only lasted two seasons and the competition reverted to clubs. Boomerangs were premiers in 1906-1908, Past Christian Brothers in 1909 and Past Grammars in 1910.

In 1902 the QRU inaugurated Country Week carnivals in Brisbane. On the 26th June 1902 teams from Ipswich and West Moreton, Maryborough and Wide Bay, Gympie, Warwick, Toowoomba and Bundaberg played at the old Bowen Bridge ground.

Some scores were Maryborough defeated Ipswich 25 to 18, Gympie defeated Toowoomba 17-8: Bundaberg defeated Warwick 15 to nil. Gympie won the first carnival. On the 30th June 1902 the first country team was picked and played Brisbane, the scores being 16-15. Brisbane lead 16-nil at half time but collapsed in the second half. The team was:- Full Back J.Dunn (Gympie), Three-

Quarters J.Canahan (Ipswich), Whittington (Bundaberg), J.Baildon (Bundaberg), C.Redwood (T'mba) Halves H.Hart and E.Rock both of Maryborough, Forwards C.Heidke (Bundaberg), D.McAuliffe (Gympie), T.Jackson (Warwick), J.Meibusch (T'mba), J.Bertram (T'mba), W.Marler (T'mba), M.McHugh (T'mba), A.Anderson (Bundaberg).

In 1903 Toowoomba, Warwick, Roma and the Border Union played as South West Districts, Rockhampton and North Qld were included. The 1903 match against the North Qld team reached a very high standard and was won by South West Districts 6-5. South West Districts won also in 1904 and 1905. Famous players in the Northern team included the Egan brothers, Sammy Sampson, Mark Dind and the Richard brothers, Long Bill (EW) and Tom (Rusty). Bill played for Qld in 1903/4/5/7/12 and was captain on a number of occasions. He played for Australia five times from 1904-07. Tom toured with the 1908 Wallabies and was rated as the best forward in the World. He subsequently represented South Africa, England and France. The Richards Cup the trophy contested by the Wallabies and England is named after him yet it is rarely mentioned he was a Queensland Country player. The standard in the North was due to Harry Speakman who came to Australia with the Bob Seddon's British side in 1888. A Chesire and International half back, he remained in Brisbane, played for Qld in 1889-90-91. In 1892 he went to Charters Towers and captained and coached the Goldfields side for nine years.

The South West Side (Downs) was:

Full Back; Brigham Young. Three Quarters; Charlie Redwood, F.Ewald, J.Murdock, Percy Redwood) Five Eight: King Renwick). Half Back: Syd Schwilk.

Forwards: Jack Bertram, Jack Meibusch, Sine Boland, Bricky Freestone, Johnny McGlynn; Larry Kearney, M.Doyle and C.Schaffer.

Jack Meibusch played for Australia in 1904, Charlie Redwood in 1903/4 and Sine Boland originally from Past Grammars in Brisbane played in 1899 and 1903.

Another great performance by Downs was against Bedell-Sivwright's British Isles team in 1904. Downs lost 12-3 but this was the closest any team came to them in Australia.

The Downs team was: Full Back: Percy Redwood. Three Quarters: Charlie Redwood, Fred Ewald, Joe Murdoch, Ivor Davies

Five Eight: King Renwick. Half Back: Syd Schwilk; Forwards: Jack Bertram, Jack Meibusch, M.Doyle, Sine Boland, Bricky Freestone, Leo Redwood, Larry Kearney and Jack McGlynn.

A great try was scored by King Renwick whose performances that year stamped him as a great player.

He subsequently went to New Zealand and played for the famous Bay of Plenty team that then dominated the Ranfurly Shield. He was also a great coach and was sole selector and coach of the famous Toowoomba Amateur Rugby League teams in the first golden period of League in the 1920's. From 1930-1940 he was sole selector and coach of the Queensland Rugby Union team. During all this period he was Rugby coach at the Toowoomba Grammar School and they won many GPS premierships, the last in 1948.

An even better performance was the defeat of the full NSW team in 1911 by 14-11. The NSW side included Australian representatives, Freddie Woods, Ward Prentice, Danny Carrol, Larry Dwyer, Tommy Griffin, Harold George, Ted Fahey, and Jim Clarcken. The NSW side had previously been beaten by the Qld Team 24-3. Two Downs players were in the Qld side Copper Kent and Lou Meibusch. The full team was: Full Back: R.Burrows, Three Quarters: Herbert Callaghan, King Renwick, Tom Henderson, Lou Meibusch, Five Eight: Sam Parker, Half Back: R.Meibusch, Forwards: J.Thompson, D.Williams, Copper Kent (later replaced by W.Fallon), Penrose Burke, Frank Meibusch, J. McNamara, B.McGlynn and Ted Eastment.

Tries were scored for Toowoomba- Lou Meibusch (2), Frank Meibusch (1), Copper Kent kicked a goal from a mark (Three points from 1905) and Sam Parker converted a try.

In the Australian Team that toured to California and Canada in 1912 were two Toowoomba players A.W. (Copper) Kent and Lou Meibusch. They played in the only test against the American All Stars at St Ignatius Ground at Berkley California that was won 12-8. Meibusch scored one of the three tries.

During this period there was growing player dissatisfaction with the organisation of the Qld Rugby Union. The playing strength of Country Rugby was not reflected in the selection of the Qld side. This was especially so in North Queensland who has a tremendous depth of players. To prove the point a Northern side from Charters Towers, Townsville and Cairns toured Queensland in 1912. This side easily beat Rockhampton, Mt. Morgan, Wide Bay and the Queensland representative side 21-3. Its only defeat was by Downs in a spectacular game. Neither side scored a try due to outstanding defence. Copper Kent kicked two goals from a mark and Albert Carrol (1913) the Northern full back dropped a field goal (4 points until 1948). The final score 6-4. The outstanding players were Arch (Sonny) Fraser (1913) from the north; King Renwick and the Downs full back Charlie Fuller. In 1913 this player dissatisfaction culminated in the matching of the Queensland side that had won three of its four matches against New South Wales with the Downs side. Three Downs players had played for Qld, Bill Smith (1913), Dave Williams and Lou Meibusch. William alone was allowed to play for Toowoomba. The result was a 6-0 win to Downs. (Bill Oehlmann two tries).

The outbreak of war in 1914 brought the development of Rugby to a halt. Throughout Qld some club games were played in 1915, but none in 1916,1917 and 1918. Rugby League had struggled on during the war and some of the star Rugby players were involved. The Central Qld Rugby Union went over en masse to Rugby in 1917. On the Downs players simply did not want to play Rugby under the old conditions. Typical was the 1919 Annual General Meeting of the Toowoomba Rugby Union. After the election of office bearers a motion was put to the Chairman Mr P. Frawley by Mr.H.Sunderland (a Toowoomba Chronicle journalist) seconded by R.E. Meibusch, that the Toowoomba play football under the rules of the Northern Union. (Although the other Rugby Code was always known as Rugby League in Australia, it was known as the Northern Union in England until 1922). The motion was ruled out of order. In the furore that followed, Mr

G.P.Barbour (Headmaster of the Toowoomba Grammar School moved that the meeting be adjourned. A week later a meeting was held in which the Toowoomba Amateur Rugby League was formed to play under Northern Union rules. The name Toowoomba Amateur Rugby League was retained until 1950.

The story of the rebirth of Rugby in Queensland is well told in Ian Diehm's "RED! RED! RED!" The inaugural meeting in Toowoomba in 1929 was under the Chairmanship of Mr G.P.Barbour. Rugby League was the community code in Queensland, with numerous small country centres having teams and the struggle to re-establish Rugby was difficult and made even harder by the depression. Standards varied and a Toowoomba team was beaten 60-0 in 1937 by the touring Springboks (Probably the greatest S.A. team of all time captained by Danie Craven and beating the All Blacks in New Zealand).

Clubs to play in this period were, Past Grammars, GPS Old Boys, Valleys, All Whites, Warwick, Allora, Pittsworth, Greenmount, Helidon and Crows Nest.

Graham Cooke has a great Rugby career around the world, missed the 1939 Wallabies, but toured in 1947-8 to the British Isles. Jack Steggal played in all four tests on the South African Tour in 1933. J. (Cracker) McDonald was chosen in the Wallaby Team to the British Isles in 1939. This team did not play a match as war broke out.

The Second World War again ruined Rugby in Toowoomba. From 1941-1945 there was no club football. The Rugby League continued during these years and became firmly entrenched in the public esteem as the major code. It was well organised and promoted, indeed under Duncan Thompson's guidance the 1950's were the second golden age of Rugby League and it was a force in the Australian Rugby League. The reformed Toowoomba Rugby Union was incapable of competing. It struggled with players doubling as officials, never a satisfactory arrangement. Junior Rugby fell over in 1951 and from then on it was a matter of time. Recruitment depended on the banks, the stock companies who employed former GPS schoolboys and teachers. There was always a turnover of players, little local recruitment and a no real public support. Particular patrons were the O'Brien family, J. (Cracker) McDonald and Dr Lacaze whose annual donation of fifty pounds started the Union each year.

Notable officials were: Pat Hayes, Fred Hill, Ted O'Brien, Dr.A.W.Rowe, Peter Watson, E.W.Whitton and Terry Purcell.

Clubs to compete during this period were Past Grammars, GPS Old Boys, Queensland Agricultural College, Gatton Town, 101st Wireless Regiment Cabarlah, Southern Downs, 25th Batttalion RUFC, Harlequins, Dalby, Crows Nest, Valleys and Colts.

Despite the effort of a number of capable officials including Ted O'Brien, Fred Hill, Pat Hayes, Terry Purcell, E.W.W. (Arg) Whitton, Dr.Lacaze, Dr A.W.L Row, the game simply died out. No football was played from 1960-1962.

Late in 1962 a detirmined effort was made to improve the administration and the image of Rugby in Queensland. Familiar names, to remain in the next 40 years of tremendous development begin to appear, Norbert Byrne, Bob Templeton, John Muir, Jack Steele to name but a few.

In 1963 Toowoomba Rangers RUFC was formed due to the efforts of Jack Seip, Terry and Andy Purcell, Doug Quinn and Barry White. A team was fielded in the Brisbane B Grade Competition. A development committee under Jack Steele arranged missionary match, Brothers Vs University in Toowoomba, and GPS Old Boys vs Wests-Toowong in Warwick. After this latter match an impulsive offer was made by Mr. Keith Leahy to donate a trophy for country competition. He backed up his offer with hard cash and donated the Risdon Cup, still the premiership trophy on the Darling Downs. Rugby League was losing its place as community football and becoming a business. The Bulimba Cup Competition was being phased out and replaced by television rights for a "Big League" in Brisbane. A niche opened up for Rugby in the Country. Four sides competed in 1964 in first grade Rangers, Dalby, Warwick, and Gatton College. The first Risdon Cup winner on the Darling Downs was Warwick defeating Toowoomba Rangers 25-14. This match was promoted in Warwick. To assist the programe GPS Old Boys U19 played Wests U19. The referee was W.T. (Bob) Burnett.

The representative side playing as Queensland Country in 1964,defeated Brisbane Sub Districts 25-14 and Guyra 23-0. The final match was at Warwick and NSW Country was held to a suprising 14-14 draw. Doug Quinn was the coach, a former Drummoyne and Qld representative Don Hoskings was the captain. Peter Coote of Warwick and Ken Skerman of Dalby were subsequently picked in the Queensland team.

In 1965, in the Risdon Cup were Goondiwindi, Warwick, Dalby, Gatton and Toowoomba Rangers. There were a second and U19 Grades. The Darling Downs was on a firm footing. The Darling Downs played in the State Trails defeating a Brisbane 15. Clive Becconsall and Barry White both of Rangers were picked in the Qld Team. The U19 team started at a high level, T.Hilder and W.Seibel made the State side. A notable inclusion in the U18 side was Geoff White who started a wonderful career, which included playing for Qld Country, Brisbane Brothers and Queensland. He was one of the forwards who began dominating NSW in the 1970's and fittingly, finished his career as player of the match in Brothers Premiership win in 1981

FORMATION OF QUEENSLAND COUNTRY RUGBY UNION

The 1965 Development Committee of the QRU did not rest on its laurels. Members were J.Steele, G.Murphy, J.O'Connor, L.Walsh and J.Ryan. In February 1965 the Gold Coast and the Wide Bay Rugby Unions were formed. The Gold Coast Rugby Union won the Brisbane Sub-District competition in their first season. An U19 team was also fielded. In 1966 Mr. F (Frank) Edgar was elected President and remained in office until 1972. He was a banker by profession and during these formative years gave a background of solidarity and commonsense to the enthusiastic but inexperienced officials. The first country trials were held in Dalby. Wide Bay, Gold Coast and the Darling Downs participated. The representative side coached by Ray McNamara was well beaten by a Brisbane team during the state trials. Mark Harris and Ken Sherman participated in the Qld v Rest game. Two other matches were played that season, with losses to Brisbane Colts and NSW Country. The Country team against NSWCRU was 1 J.Edgar, 2 S.Begbie, 3 S.Mafi, 4 B.Brown, 5 M.Evans, 6 K.Skerman, 7 C.Oxenford, 8 R. Dalby became the first Queensland country team to tour overseas going to New Guinea. They lost to Port Moresby and Combined Territories, drew with Lae and defeated Papua. In October 1966 Townsville and District Rugby Union was formed under the Presidency of Dudley Jones and the energetic Col Harkness was secretary. Growth was immediate and spectacular, starting with three teams in April 1967, there were five teams by June and Ingham had formed a club by the end of the season.

In 1967 Country trials were held in Bundaberg. A side played a Brisbane XV in the state trials and held them to a 16 all draw. Rick Trivitt was selected for Qld and Laurie Lawrence was a reserve. Touring side to was: M. Chargoury (Gold Coast), L. Johnson (Dalby), M. Whiteford (Gold Coast), L Jones (Warwick),. G.Arthy (Dalby),. New England at Armidale and NSW Country Seconds at Woolsongong beat this team. Note the appearance of Bob Sinclair who gave nearly 40 years of service to Qld Country as a player, coach and administrator. He captained the Country team in the last match of the tour when Rick Trivett had to return home.

In 1968 the QRU insisted that Gold Coast play in the Brisbane Grade Competition. The inaugural Country Carnival was held at Ballymore. DDRU (1) defeated Townsville 31-10 and DDRU (2) defeated Wide Bay 65-0. In the Qld Trials Country Seconds went down to Brisbane 2nd Grade 24-

6. County firsts after leading Brisbane 6-5 at half time were defeated 25-11. Qld representatives during the season were G.Price (Townsville), L.Johnson and M.Offner both of Dalby and J.Cornes of Goondiwindi. Papua New Guinea toured during the season being defeated by Downs (Captained by John (Prickle) Thorn at Dalby 27-10 and by Townsville 31-10. Downs toured to Sydney and were beaten by Combined Sub-Districts 24-8 and subsequently beat Brisbane Colts 19-16

In 1969 Wide Bay dropped out of the competition. The Rockhampton Rugby Union was formed and also a Far North Queensland Rugby Union which only lasted to 1972. The Country Carnival was held at Ballymore. Downs (1) beat Townsville 31-11 and Downs (2) lost to Gold Coast 12-9. A combined side defeated the new Rockhampton Rugby Union team. The Townsville Rugby Union staged the first International ever played north of Brisbane when they played Fiji on the 9th August. Darling Downs won the carnival and Country played Brisbane in Rockhampton and were beaten 30-8. Qld representatives were Geoff Richardson and John Cornes and Mark Skelton of Downs. Qld Country was host to two touring teams. The Golden Bears from California drew large crowds at Dalby, Townsville and Rockhampton. The Springboks played Qld Country at Toowoomba winning 43-7. Mark Skelton scored a remarkable try. Even the Springboks applauded. Anti- Aparthied demonstrations had marred the whole Springbok tour but the Toowoomba crowd was shocked when one of the demonstrators was brutally assaulted during an arranged orderly march across the rear of Gold Park before the match. Dominic Martinez was the first Townsville player to play for Qld at U19 level. Country players were; L.McLachlan, A.Fraser, G.Adler, G.Turner, G.Richardson, M.Cameron, (Townsville).

In 1972 the U19's made their first appearance at a Country Carnival. Downs again won the Carnival. The following weekend Tonga beat Australia 16-11 in Brisbane, surely the low point of Australian Rugby. Outstanding for Downs were Darky Thompson, Greg.McVeigh, Paul Smith and Bruce McDonald. Rockhampton toured New Zealand province Southland at the end of the season. With David West as captain, John White as coach and Cedric Archer as Manager, Their record was four wins and one loss. Rockhampton Rugby Union purchased the land for their clubhouse and home grounds. The DDRU took over Gold Park from the Toowoomba Rangers Club.

In 1974 Mt Isa had a good year opening their clubhouse. The Carnival was held at Ballymore. There were mixed fortunes with Mt Isa being humiliated on the first day by Downs, but subsequently beating Rockhampton and Townsville. Townsville was the eventual winner on a points basis. The Country Team put on a great performance in Toowoomba, losing to the All Blacks 29-0. Forwards Stan Pilecki (subsequently the great Qld and Wallaby star), Don Muirhead and Grant Harrison were giants that day. Bruce Kennon's defence was magnificent and a bootlace tackle of the All Black flanker Ian Kirkpatrick was nominated by A.W.L. Row (Scotland & Barbarians) as the finest he had seen. In 1976 Rugby was revived in Cairns, Gladstone and Mackay. The latter actually formed on March 15th 1976 and entered a team in the Country Carnival held at Townsville, who won the carnival beating Downs 10-7, mainly due to the efforts of Greg Bourke and A.Ratahi. The

In 1978 the Gold Coast and District Rugby Union affiliated with the QCRU. Previously the Gold Coast fielded teams in the Brisbane Competition and the QRU insisted a local competition be formed. The Country Carnival was held in Mt Isa, Downs defeating Gold Coast in the final 17-3. Central Highlands made their first appearance at the carnival. The Fourex competition continued in Country areas with Brisbane clubs playing country unions. Noteable wins were Gold Coast beating Wests 35-8 and Norths 10-0. The QCRU representative side three days after being beaten by Victoria 24-9, rallied to defeat Brisbane 26-4. Representatives in the Qld B side were P.Grigg, T.McLennan, B.McGowan (Gold Coast), D.Stallman and G.White of the Darling Downs.

In 1979 Gold Coast hosted the Country Carnival. Eight sub-unions took part in two divisions followed by a grading round. Darling Downs beat Mt Isa 27-0 in the A division and Gold Coast beat CQ 18-8 in the B division. It was survival of the fittest and the experiment was not repeated. The representative performances were disappointing after the previous year. The senior team beat Sub Districts 20-0 but lost to Brisbane 45-13 and ACT 20-10. A Country B side also lost to ACT 49-0. The Rockhampton Rugby Sports Club was built and opened on the 30th June by the Chairman on the QCRU John Muir. The first Qld Director of Coaching, David Clark was appointed,

In 1980 because of the domination of the Fourex Cup by Brisbane Clubs the QRU decided on a different format. Fourex for the first time sponsored the Country Carnival played at Townsville. Eight Unions took part. Rugby recommenced in Wide Bay. The winning side was the Gold Coast. They became finalists in the Fourex State Championships and were beaten by Brisbane Brothers team in the final.

In May the Country side made its first overseas tour to NZ playing four games losing to West Coast 13-0, Mid Canterbury 23-4, Canterbury Sub Districts 27-3 and Canterbury Maori's 21-11. On their return they defeated South Australia 15-12. The All Blacks swamped the Country Team 63-6 in Townsville.

In 1981 the Fourex Country Carnival was held in Mackay. In a new format ten unions took part, the final standings being (1) Gold Coast. 1982 was the Centenary Year of the QRU. The Country Carnival was therefore played at Ballymore with 10 Sub-Unions taking part. Mt Isa beat Rockhampton 10-6 in the final. For ten years to 1992, the Carnival was replaced by Regional Championships. This was also the year Terry Doyle was appointed Secretary and in the next fourteen years was always a friend of Country.

For example for the first two matches of the season the Country team took up residence in the Brother's dressing sheds at Crosby Park. The Manager and Coach cooked the breakfast on the

nearby bar-b-que. Terry was aghast and ever after Country always had reasonable accommodation. The Country Team played seven matches during the season including a tour to Western Australia and South Australia. Results were: vs Otago SubUnions lost 12-10, vs Mid Canterbury lost 28-9, vs NSWCRU lost 17-7, vs Scotland in Mt Isa lost 44 –16, vs Western Australia in Perth won 14-6, vs WA Presidents XV lost 22-18 and vs South Australia in Adelaide won 21-0. May 1 st	Brisbane 38 defeated North Queensland 3
May 14 th	South Queensland 12 defeated Central Queensland 6
May 21 st	North Queensland 9 defeated South Queensland 6
May 28 th	Brisbane 36 defeated Central Queensland 3
June 11 th	North Queensland 17-0 defeated Central Queensland 0
June 19 th	Final Brisbane 12 defeated South Queensland 0

The final was played in pouring rain and the controlled fury of the clashes between Nigel (Shredder) Holt the hard man of the Grand Slam Wallabies in 1984 and Steve (Animal) Finlay had to be seen to be believed. The Brisbane –Qld Country match was also hard with Country going to a 9-0 lead and being ground down in the second half to lose 13-9. Country went on a southern tour playing an 18-18 draw against Victoria and after leading ACT 20-12 finally going down 27-20 in a match in which Peter Grigg was the star. Against NSWCRU in a dawnbreaker before the Australia- American Eagles test at the Sydney, Country frittered away their chances with senseless kicking to go down 14-6. The final game of the season was against the Argentine Pumas in Townsville. The same story again, two tries in the first 15 minutes, then the great Hugo Porta took control. A try scored by Larusia and three penalties to Porta, down 13-8 at half time.

Despite a second half try to Country three more penalties by Porta made the final score 22-12. Sonny Wohler scored two tries and M.Smee one. The following players represented Qld Country in 1983: D.Aiken, P.Healy, P.Hood, A.King, K.Schwager (Darling Downs) G.Brown, R.Gordon, D.King, D.Garnett, (Mackay), G.Meneghan, J.Walters, J.Dillon, M.Smee (Captain), T.Simkin, P.Grigg, T.Sheills (Townsville) T.McLeod, (Rockhampton). The Manager was Bob Sinclair and the Coach Andy Purcell. Representative honours: P.Grigg continued his Qld and Australian career. David Aiken and Phil Walsh (Rockhampton) made the Qld U21 team and David Aiken made the Australian U21 touring team. A.King, D.Garnett, B.Coombe, and Rob Lawton made the Qld U19 team. Coaching directors were; Kevin Crowe (CQ), Ron Bourke (NQ), Colin Perman (DD).

In 1984 there was a significant change to Country Rugby. The U19 grade came under the direct control of the QRU. Previously the Qld Junior Rugby Union had controlled this grade in Brisbane and for representative football. Country Sub-Unions had always controlled their U19's but at representative level immediate steps were taken by the QRU to raise standards. The Regional Coaching Directors were, Ron Bourke (Nth Qld), Kev Crowe (CQ) and Colin Perman (Sth Qld). Cairns built a clubhouse and enclosed their grounds. The results of the XXXX State Championships were:-

May 26 South Qld 10 d. North Qld 6 (Gold Coast)
 June 2 Brisbane 27 d. South Qld 4 (Dalby)
 June 9th Cent.Qld 15 d. South Qld 4 (R'ton)

The Qld Country side played the Fijians at Carrara and after leading 10-0 at half time being overwhelmed 21-10 in the second half. Country bounced back to beat Combined Services 21-10. The game against Brisbane was close scoring two tries to one and beaten by goal kicking 12-10. The final game was against the All Blacks at Carrara and a crushing 88-0 hiding. In fairness after 20 minutes prop Peter Melville suffered a spinal injury and the game was delayed 45 minutes for a Rescue helicopter to arrive, to take the player immediately to the spinal unit at the Princess Alexandra hospital. Happily because of the immediate specialist treatment Peter recovered completely. Unhappily Country was crushed. Players to represent country were, P.Healy, Tom McVeigh, Peter Hood, Paul McVeigh, M.Callaghan, (Downs), T.Cox, A.Westbrook, R.Burness, Steve Findlay, Mick Bickley, Barry Duncan, Sonny Wohler, P.Scholes, G.Mannix, P.Melville, (Gold Coast), T.Sheills, J.Dillon, M.Smee, M.Fuller, P.Grigg, J.Rauch, G.Lawler (T'ville), Ted McLeod, P.Walsh, R.Barker, G.Jonceur, (R'ton), Q.Iwkai (Mt Isa), A.King (Longreach), D.Watson (Cairns). The manager was Bob Sinclair and Coach Andy Purcell. Representative Honours; Peter Grigg continued his career for Qld and Australia. Robbie Burness played for Qld B. P.Walsh, B.Coombe, A.King, P.Chengody and Dean Garnett played for Qld U21. In the Qld U19 team were R.Becker, P.Chengody and D.Garnett.

In 1985 the XXXX cup continued: -

 North Qld 16 d. South Qld 9 (T''ville)
 Brisbane 32 d Central Qld 12
 Final Brisbane 19 d. North Qld 0 (T'ville)

The final points for the U19 competition, which mirrored the senior competition without a final was Brisbane 12, Central Qld 5, South Qld 4 and North Qld.2

Two more Coaching Directors were appointed; Terry Burkitt (Sth East Qld) and Dick Dargin (Sth West Qld) in addition to Kevin Crowe (CQ) and Ron Bourke (NQ).

The Senior Country team undertook a tour to New Zealand playing Rodney Sub Unions on Saturday losing 16-9. Then they played North Harbour on the following Tuesday losing 62-10. The half time score was a creditable 19-10 but then All Blacks Wayne (Bucky) Shelford and Frano Bottica took charge. Bottica finished with 34 points for the match. On their return home Country played Canada in Cairns before a crowd of 3,500. Again the same story leading 3-0 at half time, letting an early try in the second half and going down 13-6. Against Brisbane once again Country lead 12-7 at half time and in a detirmined second half held Brisbane to 19-18. John Hienke who had played for County since 1979 and received little attention by the Qld. selectors scored the winning try for Brisbane. He won the Rothmans Medal and played for Qld once he went to Brisbane. Against Fiji in Rockhampton for the final match of the season the same story, 7-7 at half time and going down 39-10 in a second half onslaught of 6 tries by Fiji. Players who played for Country in the season were: K.Burness, R.Burness, R.Scholes (Gold Coast), M.Fuller,

Terry Shiells, Andrew Short, J.Dillon, J.Walters, Vic Johnson, G.Lawler, G.Smith, J.Rauch, (T'ville), Peter Chengody, Dean Garnett (Mackay), Andrew King (Longreach), B.Coombe, Brett Williams, Richard Barker, Ted McLeod, (Rockhampton), Mathew Connor, D.Coonan, A.Dick, (Cairns), Don Stallman (Sunshine Coast), Mark Kalms, J.Fenton, (Central Highlands). M.Callaghan (Darling Downs). A.King (Longreach). D.Watson (Cairns). The manager was Bob Sinclair and Coach Andy Purcell. Representative honours. This was the last year Peter Grigg lived in the country; he went to Brisbane for the 1986 season. Andrew King and J.Rauch played in the Qld Presidents XV against Australian Services. Rick Becker of Mt Isa and Craig Pearce of Darling Downs played for Qld U19.

In 1986 an "Operation Country" seminar was held. Main recommendation was to limit the number of matches Qld Country teams played. The emphasis was still on regionalism Talent Identification programmes in line with QRU initiatives were introduced in each region. The Coaching Directors were Ron Bourke (NQ), Bob Brown (CQ), K.Crowe (SWQ) and Terry Burkett (SEQ). Joe French opened the new clubhouse complex at Quarry Hill, Mackay in July. The XXXX Cup took on a new format. Brisbane no longer played each Region. The Regions played on a home and away basis to find a winner to play Brisbane in the final. At the U19 level the Metropolitan Permanent Building Society sponsored a competition on the same lines as the former senior competition with Brisbane playing in the round robin and a final was held.

It has been a great year for the Heelers one loss, one draw and two wins secured a finals birth against Perth Gold. History found a way to repeat itself as the landmark QLD country Heelers were defeated 18-11 by a very professional Perth Gold. Coach Terry Shiells, assistant John Faithful, Manager Martin Gillem and Physio therapist, Jon Moses.

In 2005 Premier Rugby is being viewed by the QRU as a statewide competition. It will be run by the QRU and participants will be invited to compete. The Sunshine Coast and Gold Coast have received invitations. It would be our wish that in the future other Country sub unions would be invited, thus giving the opportunity for aspiring players to compete at the highest competition level in the state and yet remain in their local region.

Queensland Country Heelers 17 (Will Anderson, Benjamin Tennant tries; Kacey Mitchell con, pen; Tennant con) defeated Adelaide Black Falcons 8

Queensland Country Heelers 26 (Shane Lett, Ashley Kirk, Doug McNicholl tries, Ben Tennant 3 pens, con) defeated Darwin Mosquitoes 17

Melbourne Axemen 7 defeated Queensland Country Heelers 3 (Brendan Bunyan pen),

NSW Country Cockatoos 28 (Nick Leseberg, Sam Sattler, Joe De Dassel tries; Leith Cooper 2 cons, 3 pens) defeated Queensland Country Heelers 15 (Brendan Bunyan, Shane Lett, Tim Collins tries).

QCRU fought out a 28 all draw against the 2004 Telstra Australian Rugby Shield Champions the NSW Country Cockatoos at Dangar Park, Narrabri NSW. With NSW leading 28 – 23 with five minutes to go, Heelers winger Billy Bainiburi scored in the corner providing inside centre Corey Niwa with the chance to win the match through a sideline conversion. Pushing the kick just wide Niwa, one of the Heelers best, was unable to convert and in a match where the lead changed twice in the second half, a draw was a more than fitting end.

A most successful U/19 program this year. Both North and South Queensland exceeded in their performance, especially against Perth and the old enemy, NSW Country.

Sunshine Coast and Gold Coast again flew the flag of country in Queensland Premier Rugby with the committee looking at ways to support other subunions hoping to enter this competition individually and collectively. This is the future for country rugby and a good pathway for senior and U19 players

The Under 19 Transition program has been invaluable to QCRU U19 players. A QCRU QR U19 team was selected to play Brisbane U19's at Ballymore. This proved to be the highlight of 2006 for QCRU as QCRU QR U19's comfortably defeated Brisbane U19's 28-24.

Eight teams took part in the Country Championships: the Gold Coast Cyclones, Sunshine Coast, Rockhampton, Mackay, Townsville, Bundaberg and Darling Downs. The Rugby Gold Coast Cyclones finished undefeated, winning their third consecutive championship. The emphatic win continued a remarkable record for the champion Gold Coast side, which has now lost only one game in three seasons, consolidating its reputation as the benchmark of country rugby.

Rugby Gold Coast and Sunshine Coast Rugby continued their participation at both Premier and Under 19 level, with the Gold Coast reaching the Premier Grand Final.

The Heelers once again had mixed success, winning away against South Australia and at home against Darwin in Rockhampton, but losing to Victoria in Melbourne and NSW Country in Mackay. Coach Terry Shiells, his assistant Jason Ramsamy, manager Robert Brennan and all support staff.

2007 was a disappointing season for QCRU U19 teams with both North and South U19 QCRU teams losing most games and being defeated by Brisbane

HEELERS VS COCKATOOS

ROCKHAMPTON – 12 MAY 2012

As current holders of the 'Battle of Borders' Cup, the scene was set for a massive 2 game series with against the Cockatoos that concludes in Cowra on May 19. The 'Battle of Borders' Cup has seen a number of fierce battles, that to date, have be dominated by NSW Country.

In a game where both teams were guilty of numerous mistakes NSW took better advantage of their opportunites, however, the boot of Dan Nethery's kept the Heelers in the match.

Against the run of play Queensland's Ernest Suavai jumped on a mistake by NSW and scored in the corner, the conversion was missed but the Heelers had taken the lead 18-17.

The lead was extended further when Queensland worked themselves into position in front of the posts for Karl Manning to slot a field goal adding another 3 points to the lead 21-17.

Both forward packs had battled themselves to a standstill so NSW changed the point of attack and gave the ball to the backs who found space and support to score next to the posts to take the match 24-21.

Heelers coach Tom Rosewarne was not unhappy with the result knows they will have to improve next week: "The Heelers will be a better team for the run and although our commitment in defence cannot be faulted we will need to improve their continuity and structure in attack if we are to retain the 'Battle of the Border' cup next week"

Queensland Country Heelers Squad:

Jordan Massey NQ, Hayden Callahan SQ, Hayden Makiri SQ, Sakaio Pakome NQ, Rikki Abraham NQ, Andy Gauthier SQ, Leo Pakome NQ, Jono Bradbury CQ (Capt), Mike McDonald SQ, Brett Parker CQ, Dan Jago NQ, Josh Deane-Freeman SQ, Matthew Berryman SQ, Tom Williams SQ, Simon Bartley SQ, Tom Vinson NQ, Kane Wahlstrom SQ, Fabian Snaith SQ, Ernest Suavai NQ, Dan Nethery SQ, Ratupeni Delaminati NQ, Sitiveni Bates NQ, Karl Manning SQ

HEELERS VS COCKATOOS

COWRA – MAY 19, 2012

Central Queensland star Jono Bradbury lead the Queensland Graincorp Country Heelers into battle on May 19 when they headed to Cowra to play the New South Wales Cockatoos for the 'Battle of the Borders' Cup.

In an impressive display the NSW Cockatoos took out the second match of the 'Battle of the Border' cup to claim the trophy for 2012 with a 60-3 win over the Queensland Country Heelers. The Heelers were keen to exact some revenge on the Cockatoos after suffering a loss to them the week prior in Rockhampton but ill discipline hampered the Queensland side early. The Heelers gave away a number of penalties throughout the first half frustrated with their lack of possession and the Cockatoos got out to an early lead taking the opportunities presented to them. The Queensland forwards competed well at set piece stealing line-outs and holding their own come scrum time but they struggled to match the NSW outfit at the breakdown and this proved to be their ultimate demise.

Queensland Country Heelers Squad:

Paul Marshall, Hayden Callahan, Hayden Makiri, Phil Rabone, Leo Pakome, Jono Bradbury – Cpt, Brendon Sexton, Matt Berryman, Tom Williams, Kane Wahlstrom, Ratupeni Delaminati, Fabian Snaith, Ernest Suavai, Daniel Nethery, Karl Manning, Jordan Massey, Sakaio Pakome, Andy Gauthier, Josh Deane-Freeman, Brett Parker, Simon Bartley

COUNTRY VS CITY

BALLYMORE – JULY 14, 2012

The annual City v Country grudge match lived up to expectation with City coming out on top in a physical 26-12 affair at Ballymore on Saturday night.

The relocation of the game to Ballymore from Suncorp Stadium failed to impact on a highly entertaining spectacle with the match, pitting the best Rugby talent from the Country against their City counterparts, going down to the wire.

Carlos Gavidi, Adam Preocanin, Shane Seiuli and Lyall Fidow all crossed for City in the entertaining affair.

Try-scoring lock Preocanin and winger Seiuli were among the best on ground for City while Country captain Jono Bradbury was a standout in a losing side.

In the end Country were only able to cross the line twice through Vitori Tomu Buatava and Earnest Suavai.
